

NOT INDEPENDENT

The Complete Planner Pty Ltd and our Authorised Representatives may receive commissions associated with the issue of life insurance products. For these reasons, we do not represent ourselves as independent, impartial or unbiased.

FINANCIAL SERVICES GUIDE

This Financial Services Guide ("FSG") is intended to inform you of certain basic matters relating to our relationship, prior to us providing you with a financial service. The matters covered by the FSG include who we are, how we can be contacted, what services we are authorised to provide you, how we and any other relevant parties are remunerated, details of any potential conflicts of interest and how a complaint about us would be handled.

You should also be aware that you are entitled to receive a Statement of Advice whenever we provide you with any advice which takes into account your objectives, financial situation and needs. The Statement of Advice will contain the advice, the basis on which it is given and information about fees, commissions and associations which may have influenced the provision of the advice.

In the event we make a recommendation to acquire a particular financial product (other than securities) or offer to issue or arrange the issue of a financial product, we must also provide you with a Product Disclosure Statement containing information about the particular product which will enable you to make an informed decision in relation to the acquisition of that product.

We only recommend a financial product to you after considering its suitability for your individual investment objectives, financial situation and needs.

The Complete Planner Pty Ltd offers both personal and general advisory services. Clients should be aware that when general securities advice is provided it will not necessarily be appropriate for every client. That is why we recommend you seek a personalised review of your investment objectives, particular needs and circumstances before making an investment decision.

How will I pay for the service?

The Complete Planner Pty Ltd offers a choice of payment options. You may prefer to pay us a fee, which would be based on factors such as time we spend developing your plan, the type of product involved and/or the amount that you invest.

Alternatively, we may be able to offer you the option whereby we are to receive payment by way of commission or adviser fee, in which case the payment will be made to us by the fund manager/wrap service/life company that you invest or contract with.

We will explain these options to you when providing our advice.

Do you receive remuneration, commission, fees or other benefits in relation to providing the Financial Services to me and how is that commission calculated?

Yes, we do receive remuneration for providing professional financial services. As stated above, we may receive this remuneration by way of fees or commission and the amounts can vary, depending upon factors such as complexity of the advice and the amount of time involved.

We will provide full details to you when we give you a Statement of Advice however the following is a guide.

Fees

Where it has been arranged that you will pay an Adviser Fee directly for our services we will invoice you for the applicable amount. The rate for our services may be a percentage of the amount invested (say 1%), or a flat fee, based on an hourly rate, GST inclusive, depending upon the complexity of the services involved.

It can sometimes be arranged for you to authorise that the Adviser Fee be deducted from your invested amount by the Fund Manager or Wrap Service, which will pay the fee to us.

Commission on Life Risk Insurance Products

When we arrange a life risk contract we would be paid an initial amount of commission by the life insurance company once the insurance proposal has been accepted by the life company and the policy in force. The rates of commission can vary widely because the types of the insured risks involved also vary. However, initial commission normally falls within the range from 0% to 66% of the first year's premium,

Life companies generally pay ongoing or renewal commission. This is based on the premium at that time and is paid to us after the premium has been paid. The rates vary but are usually in the range from 8% to a maximum of 22% p.a.

Review fee

A review fee may be charged for reviews of existing plans and portfolios to ensure strategies remain appropriate. This fee will be agreed between you and your Financial Adviser. Again, you may be invoiced for an adviser fee when you receive our written recommendations. Alternatively, this fee may be charged on an ongoing basis from your investments as agreed.

Do you have any relationships or associations with Financial Product issuers?

From time to time, financial product issuers offer our representatives invitations to social and sporting events and the occasional gift such as a bottle of wine or hampers on special occasions. The approximate value of these during the year is \$250.

WHEN YOU GET OUR ADVICE

Will you give me advice that is suitable to my investment needs and financial circumstances?

Yes. However, to do so we need to find out your individual investment objectives, financial situation and needs before we recommend any investment to you. You have the right not to divulge this information to us if you do not wish to do so. In that case, we are required to warn you about the possible consequences of us not having your full personal information. You should read the warnings carefully.

What should I know about any risks of the investments or investment strategies recommended to me?

We will explain to you any significant risks of investments and strategies that we recommend to you. If we do not do so, you should ask us for further clarification.

What information do you maintain in my file and can I examine my file?

We maintain a record of your personal profile that includes details of your investment objectives, financial situation and needs. We also maintain records of any recommendations made to you. If you wish to examine your file, you should ask us and we will make arrangements for you to do so.

We are committed to implementing and promoting a privacy policy which will ensure the privacy and security of your personal information. A copy of our privacy policy is available on request.

Can I tell you how I wish to instruct you to buy or sell my investment?
